- When you are using an iOS device you can activate 'Face ID'
- The next screen will ask if you want to receive notifications. We recommend that you enable these. Of course, you can disable them at any time.

NOTIFICATIES INSCHAKELEN

- The app is now set up and can be accessed via this icon:

Document approval via app Cliënt Online

- Log in to the app with the five-digit access code.

Voer uw vijfcijferige toegangscode in.

- There is an action ready in the app. Click on it.

Acties

Filter

Publicatiestuk = Publication annual report

Aangifte = tax return

Publicatiestuk

B.V.

- After this you will see the details of the document to be approved. It is now possible to open the PDF document.

OPEN DOCUMENT

- When you view the document, you can either agree 'akkoord' or disagree 'afkeuren'.

AKKOORD

AFKEUREN

- If it is a publication of the annual report, first you will be asked whether the financial statements have been adopted by the general meeting (= vastgesteld door algemene vergadering). If you answer 'Ja' (= Yes), you can then enter the adoption date. You close with 'Volgende' (= Next).

Datum vaststelling

Is deze jaarrekening vastgesteld door algemene vergadering?

Ja

Nee
